MARKET GOATS (Book 135)

Judging: Thursday, 7:00 p.m.

Rules:

1. Market goats must be born on or after January 1 of the current fair year.
2. Market goats, including does, must be in the exhibitor's possession by spring weigh-in.
3. Market goats may be either neutered male or doe kids.
4. There will be a mandatory Wether Goat Check-In, (in conjunction with the market goat weigh-in) to be arranged and conducted at the spring weigh-in by the Goat Sub-Committee of the Jr Fair Livestock Sale Committee. At the "Check-In", each male goat will be checked for testicular tissue. If necessary, male goats will be castrated by a qualified veterinarian at the time of the "Check-In". All male goats will be declared neutered and eligible for the Market Goat Show at the Fair when they leave the "Check-In".
5. Minimum weight for eligibility to show - 40 pounds; Minimum weight to sell - 50 pounds.
6. Baby teeth must be present at time of weigh-in at the fair; no yearlings will be allowed.
7. Does shown in the Boer/Boer Cross Breeding Show CANNOT be shown in the Market Goat Show.

CLASS: 127 MARKET GOAT

CHICKENS (Book 150)

Judging: Wednesday, 9:00 a.m.

Rules:

1. American Standard of Perfection will be the guide for judging poultry breeding stock.
2. Exhibitor may make two (2) entries in each chicken sub-class, with a maximum of eight total entries.
3. Weight of meat pen of fryers must be 4-6 lbs. per bird in the meat chicken fryer class. Weight of meat pen of broilers must be 6-8 lb. per bird in meat chicken broiler class. Birds will be weighed prior to show at which they will receive leg bands. Specific sub-classes for show will be determined by the Chicken Sub-committee of the Livestock Sale Committee after weigh-in on Saturday before the Fair starts.
4. Exhibitors may show a maximum of two Meat Pens of Chickens, either two Fryer Pens, two Broiler Pens, or one Fryer Pen and one Broiler Pen. Exhibitor may sell only one pen through the sale (fryer or broiler).
