2. There will be a mandatory "Check-In" for all exhibitors of meat pens of rabbits and single fryers in June at a time and place designated by the Rabbit Sale Sub-Committee. All entered rabbit exhibitors will receive notification. (Note: Exhibitors will not need to tattoo on their own this year.)
3. A maximum of seven rabbits can be tattooed and you can show 5 of those 7 rabbits.
4. At the most five rabbits (two meat pens and one single fryer) are permitted at the fair. Exhibitors are permitted to show only one single fryer which could be a rabbit separate from the pen(s) or a rabbit from the pens.
5. Market rabbits will be accepted from 9:00 a.m. - 5:00 p.m. on the day before the Fair starts.
6. Meat pen weigh-in will be from 5-7:00 p.m. on the day before the Fair starts. Each rabbit in the pen must weigh from 4 - 6 lbs. and must be 9 -12 weeks of age to be eligible for the championship drive. Pens with rabbit(s) weighing 3 1/2 - 4 lbs. will be lightweights. Pens with rabbit(s) weighing 6 - 6 1/2 lbs. will be heavyweights. If a pen has one rabbit light or heavy, that pen will be classified as light or heavy. These pens will still be allowed to show, but they will not be eligible to show for the championship. If a pen of rabbits contains a rabbit under 3 1/2 lbs. (underweight) or over 6 1/2 lbs. (overweight), this pen will NOT be eligible to participate in the sale or show for the championship.

11. Grand and Reserve Champions will be named in both the meat pen and single fryer classes. An exhibitor may elect to sell his/her Grand or Reserve Champion single fryer in the Livestock Sale if the winning rabbits are not from the Grand and Reserve Champion meat pens. If the exhibitor elects to sell the grand or reserve champion single fryer, the sale of these rabbits will follow the sale of the grand and reserve champion meat pens and will constitute the exhibitor's one sale unit.
